Attention: Ms. Dominique Paukowits

Dear Ms. Clemons and Ms. Paukowits:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Sacramento Area Council of Governments' (SACOG) 2016/17 - 2019/20 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
7	<b>State, Local and Transit Transportation Systems</b> <ul style="list-style-type: none"><li>This amendment modifies, adds and deletes grouped and individual projects in various counties in the SACOG region. The projects include funding from the Congestion Mitigation and Air Quality Improvement Program, Highway Safety Improvement Program, Railway Highway Crossings, Surface Transportation Program, Federal Earmarks, and various Federal Transit Administration (FTA) programs.</li></ul>

See enclosure.

The SACOG Board Resolution adopting this FTIP amendment certifies that it is financially constrained and meets requirements of public involvement procedures adopted by SACOG and all applicable transportation planning requirements per Title 23 Code of Federal Regulations Part 450, and air quality conformity requirements.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SACOG's Amendment Number 7. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2017 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of project for federal funding.

Mr. Vincent P. Mammano/Mr. Leslie T. Rogers
